

vision for humanity

VISIONAIRE

Certificate Number 0

Your name here

As a Vision for Humanity Visionaire I willingly undertake the following endeavour:

1. I accept my role as a vital part of a global family.
2. My purpose as a family member is to help create a world of peace, centred upon universal health, prosperity, inspiration and joy.
3. I realise that I AM a powerful creator with the ability to create a sensational life for myself and others, through my elevated thoughts, words, actions and endeavours.
4. For the benefit of myself and the world, I allow myself to be happy and choose an attitude of optimism and appreciation.
5. I embrace the desire for a greater awareness and understanding about myself, my loved ones, my community, my environment and my global family.
6. I endeavour to select my higher level tools of love, forgiveness, compassion, tolerance and integrity to create and sustain all of these relationships.
7. I know that I am a vital part of a global shift in thinking for the betterment of humanity. I seek to help elevate global consciousness, create healthy relationships of all kinds and contribute to "A Successful Planet".
8. I will remember to share the joy of life with others every day to enrich, empower and inspire.
9. I gratefully accept for myself and my family, all of the benefits and goodness that my thoughts and actions bring.
